“The Holy Spirit is the love and bond of union of the Father and the Son. To him pertains the society by which we are made one. The human body consists of many members, and one soul animates them all, causing the eye to see, and the ear to hear, and so on. So likewise the Holy Spirit contains and animates the members of the Body of Christ which is the Church.”

-St. Augustine, On Grace in the New Testament.

Dear Brothers and Sisters in Christ,

The news that we hear around each day is no doubt received with great interest, regardless of the fast rate at which it is reported and the degree of clarity or certainty which we assign each announcement. As a parish, the reality is that we must continue to wait and pray as one, to learn about our return to church as one body. In the meantime, we draw hope from the increasing news that knowledge is growing when it comes to how best to allow large groups to congregate, and Most Holy Trinity remains committed to studying and observing everything which is best to make Sunday Mass both possible and safe.

A special word of thanks and prayer is deserved by our parishioners who have postponed Baptisms, first Communions, Confirmation, weddings, and funerals of loved ones; their families are likewise deserving of admiration. In their example of patience, we see both Christian transcendence of troubled times as well as a great expression of hope that the future will bring the satisfaction of the desire for increased holiness.

At the same time, we know there are many struggling for employment and opportunities to provide for their loved ones. They deserve our prayers and help as well; the parish is here- just as the church remains open, so too is the Outreach office.

There are many in the parish who are great examples of trust in the Lord. This expression in the comportment and gestures of one's life are precisely what St. Augustine was underlining in the above discourse when he spoke of the unity of the Church's members as the sign of its supernatural strength. We know and expect sensible and good announcements will come, and please God soon. During this month, let us continue to invoke the intercession of the Blessed Virgin Mary for relief and a return to the rhythm of life which is safe and just.

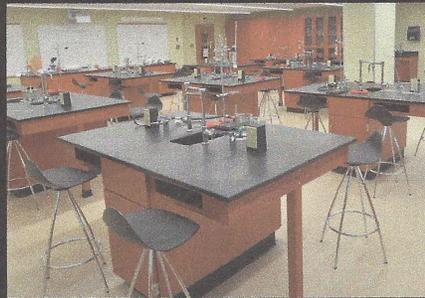

May God bless you,

Fr. Ryan Creamer

Most Holy Trinity Faith Formation

*Most Holy Trinity Parish is where the joy the gospel
is proclaimed, taught and lived*

The **First Communions** formerly scheduled for May 2, 2020 have been rescheduled for June 20, 2020 at 11am in the Parish Hall. Rehearsal will be on June 15, 2020 at 4:30pm in the Parish Hall. This change allows us to follow the State requirement not to gather until May 15. If a further rescheduling is required, we will make that change and alert the families of first communicants.

We are also entertaining the possibility of a Mass for First Communion in Fall.

Please pray for all those preparing to receive the sacraments of Baptism, Confirmation, and their First Communions during this challenging time.

Fr. Ryan and Deacon Larry

Keep Smiling...

The minister was preoccupied with thoughts of how he was going to ask the congregation to come up with more money than they were expecting for repairs to the church building. Therefore, he was annoyed to find that the regular organist was sick and a substitute had been brought in at the last minute. The substitute wanted to know what to play.

"Here's a copy of the service," he said impatiently. "But, you'll have to think of something to play after I make the announcement about the finances."

During the service, the minister paused and said, "Brothers and Sisters, we are in great difficulty; the roof repairs cost twice as much as we expected and we need \$4,000 more. Any of you who can pledge \$100 or more, please stand up."

At that moment, the substitute organist played "The NATIONAL ANTHEM." And that is how the substitute became the regular organist!

East Hampton Meals on Wheels

is looking for some more volunteers to become part of their organization, which provides a vital service to the East Hampton community. They have openings every weekday morning for volunteers to pack meals or deliver them to our homebound neighbors. It only takes about two hours of your time. If you cannot commit to a weekly schedule, they are also looking for substitutes for their regular packers and drivers.

Won't you please call (631) 329-1669 to inquire about volunteering? Their volunteer application is also online on their website, ehmealsonwheels.org
